

We will be holding a morning webinar on

**MONDAY 5<sup>TH</sup> MARCH 2018**

**Streaming live to you, for your convenience**

**Starting at 11am, we answer one of the most common questions we get asked: "What's the difference between a residential environmental report and a commercial environmental report?"**

**Danielle Orosa of Groundsure will be discussing the major differences between the two and take a closer look at:**

- When it's appropriate to use a residential vs. commercial report
  - Commercial land use questions - why?
  - Risk assessment method and purpose
    - The front page explained
- What happens next? When reports come back in need of further assessment for both Residential and Commercial
  - Next steps - Phase 1 in aid of Planning
  - Report options
